- *1 roll paper towels
- *2 rectangle shaped boxes of facial tissue
- *1 baby wipes (boxed containers)
- Book covers for 2 regular books and 3 large textbooks

Science Lab Supplies: 4th Grade

Girls: Dixie Cups (one box)

Boys: paper plates

Both:

1. Plastic straws
2. 1 in. binder (white with clear pocket cover)

Please label everything SCIENCE LAB so it is not confused with classroom supplies.

*Indicates items that may need to be replenished during the year.

Due to safety reasons and space limitations, rolling book bags are not allowed except in health related cases.

Please check the back of this page for labeling instructions and instructions on how to organize items in order to be ready for the first day of school.

Parents should have some supplies at home for homework use like index cards, color pencils, scissors, hole punch, tape, glue, and a stapler.

If you shop at Office Depot/Office Max and mention our CCS ID#70001711, the school will receive 5% credit that we can redeem for free classroom supplies!

Let's Start Getting Organized

Please label everything including PE clothes and lunch boxes. Put the following items into their pencil pouch and then put the remaining supply items into the plastic school supply box.

INSIDE THE PENCIL POUCH	Plastic SUPPLY BOX
<ul style="list-style-type: none"> • Pencil sharpener • Color pencils (Can use a hair pony tail holder to hold pencils together and then trash the box) • 3 sharpened pencils • Red pencil/pen • Highlighter • Hole Punch • Expo Marker • Scissors 	<ul style="list-style-type: none"> • Crayons • Extra pencils • Extra red pencil/pen • Extra Expo marker • Index Cards in Ziploc Bag • Black permanent- Sharpie • Any extra items • Glue will be kept in a class basket

Two notebook rings will be provided when students make History vocabulary cards throughout the year. Take one pack of index cards then cut the cards in half with a single hole punched in the upper left hand corner on the blank side far enough from edge so that they do not tear. Cut on dotted line like example. Place cut cards into a small zip lock bag for their supply box and this will help your child with organization.

Open one package of notebook paper and place about ¼ inch thick loose notebook paper stack into their blue pocket folder in the pocket so they can quickly get a piece of loose paper. Put their name on this folder on the upper front right hand corner. This will stay in their desk area. Also place ¼ inch thick notebook paper in the ½” Spanish binder. Place the remaining paper into the back of their notebook with the tabs in the front of all the paper. Keep the other package of notebook paper at home until your student needs to bring it to school.

Please help by labeling your children's notebook divider index tabs with the following:

(Place tabbed dividers in notebook when tabs are labeled.)
