October 2018

Dear Corporate/Business Sponsor,

Covenant Christian School is a small school (K-8), currently serving 260 students and their families. Since our 1983 beginnings, the impact of CCS continues long after our students leave. We often hear how our strong academic program helped our alumni through their high school and even college years. They stay in touch with powerful stories of the effect one or more teachers has had in their lives, influencing them to try harder, to reach higher, and to excel most importantly in life, not just in academics.

This year, our fundraiser will be held during the month of October. This annual event has the opportunity to offer positive exposure for your business, so I wanted to give you opportunity to be a part of our fundraising efforts. Proceeds from this year's event will be used for installation of an updated phone system, including intercoms for all classrooms. This project will greatly improve communications on campus and increase our ability to secure our campus quickly.

Generous donations from businesses such as yours help us provide the "extras" that regular tuition does not cover. Items we've added through the years include:

- privacy fencing added to our soccer field, our playground area, and other areas on campus
- an additional awning was added to an existing covered walkway in order to protect our students from rain while traveling to and from our 6800 volume library
- technology and computer upgrades help us continue to integrate iPads and cooperative learning into our classrooms.
- Updates to our gym, including new lighting, air conditioning, a fresh coat of paint and locker room improvements.

All sponsors will be recognized by one or more ways listed on the attached donation form.

All donations are tax deductible.

We love that our students have the ability to learn in a safe environment with teachers who love what they do and who celebrate their students and their successes.

You can join other local businesses in support of Covenant Christian School by making a donation using the attached form. Please contact me if you have questions or if you would like more information about our vision for CCS. I can be reached at 251-633-8055, and my email is kcurrie@covenantschool.com. I look forward to hearing from you.

Sincerely,
