Dear Sponsor,

My school is raising money for school improvement projects including a new phone system, security upgrades, and other exciting enhancements. On Friday, November 16th, we are holding a Family Fun Day for our families to celebrate a successful fundraiser! Please help me raise (and exceed) our family goal of \$200.

All moneys need to be turned in to the school by Thursday, November 15th. Please consider sponsoring me. Thank you for your contribution!
